This form is intended to permit the Lender to notify WHEDA of a substantial change in the status of a Drought loan or the borrower's situation. This form also serves to secure the guarantee during the collection process if the guarantee is set to expire prior to the completion of a Request for Guarantee Payment.

1) With regard to the above-referenced Drought loan, the Lender is providing notification to WHEDA of the following change in loan status (check all that apply):

- This loan has been PAID IN FULL
- This loan is DELINQUENT by _____ payments
 - Loan has been placed on non-accrual status (required when loan becomes 90 days delinquent)
 - Borrower is liquidating assets
 - Lender has begun legal collection process
- Borrower filed for BANKRUPTCY protection under Chapter _____ (include copy of notice)
- Other: _____

2) Lender received notification of the action above on _____.

- 3) Attach a narrative detailing a brief loan history, current status of this loan, the anticipated outcome, and estimated loss figures (if applicable). Include additional supporting documentation if available.
