Dear Housing Provider:

I'm pleased to announce the 2016 WHEDA Foundation Housing Grant Program competition. The Foundation will award \$500,000, to assist projects throughout our state that provide housing for people in crisis.

Beneficiaries of this program include: the homeless, runaway youth, alcohol or drug dependent persons, persons in need of protective services, domestic abuse victims, developmentally disabled, low income or frail elderly persons, chronically mentally ill, physically impaired or disabled, people living with HIV disease, and persons without access to traditional housing.

I encourage you to examine the competition materials and apply for this year's grants. Together, we can assist those in Wisconsin who need access to quality housing.

Sincerely,

A handwritten signature in black ink, appearing to read "Wyman B. Winston", followed by a horizontal line extending to the right.
