Extensive internal testing has been completed and implementation is under way. The portal gives lenders the following on-line capabilities:

- Register loan applications one of three ways:
 - DO case ID (Broker and Mini-Corr Channel)
 - DU 3.2 or Calyx point file (Correspondent Channel)
 - Manual data entry
- Rate lock loans

- Check loan status
- View outstanding loan conditions
- Access correspondence – Approval, Suspense, Denial Letters

We have been working with pilot lenders and have started the process of activating all lenders. [Click here](#) for access to the WHEDA-Connect Users guide for detailed information.

Use of the Portal will be **mandatory** for all WHEDA lenders effective **September 30, 2015**.

WHEDA-Connect Delegated Administrator Agreement

Each lender will be required to designate at least one person from their organization to act as a Delegated Administrator (DA). The DA is responsible for managing access for persons within your organization. [Click here](#) for access to the Agreement. All lenders must submit this agreement by fax or to qualitycontrol@wheda.com **no later than February 27, 2015**.

Training

To schedule immediate training and implementation contact Marty Maloney at 608-266-2724. Otherwise an Account Manager will be contacting your organization to determine your training and implementation needs.
