WHEDA-Connect Updates

The WHEDA-Connect Portal (www.wheda-connect.com) has been active for nearly 7 months. Lender response and activity to date has been excellent. Approximately 80% of new loan applications and lock requests are being submitted via WHEDA-Connect. We appreciate your patience as you familiarize yourselves with this new system. We would like to provide you with a final reminder as it relates to mandatory use as well as some reference tools and training options.

September 30th – Mandatory Usage of WHEDA-Connect

This is a reminder that use of the WHEDA-Connect Portal will become **mandatory** for all WHEDA lenders effective **September 30, 2015**. All primary loan applications (FHA and Conventional) will need to be registered and locked via WHEDA-Connect.com. Paper submissions, faxes, or secure emails for primary loan applications **will not be accepted** after this date. If you have not yet been provided with a WHEDA-Connect username and password, please contact your Delegated Administrator.

Note: Non-primary loan applications such as MCC submissions, HILP applications, and Compliance Income Evaluations should continue to be submitted via paper, fax, or secure email.

Tools and Training

The WHEDA-Connect Users Manual and Quick Reference Guide, as well as channel specific training webinars are available on the [Toolkit Page](#) of www.wheda.com under the header “Doing Business with WHEDA.”

Institutions in need of further training may also contact Marey Riemer at 414-520-2988 or email Marey at marey.riemer@wheda.com.
