

Low Income Housing Tax Credit Projects - Awarded or Allocated

Inventory of developments within the State that have received an award or allocation of Low Income Housing Tax Credits since the inception of the program. Information for allocated projects is based on time of allocation (credit year) and may not reflect the current status of the property or ownership. Information listed for awarded projects is current as of the revision date.

See "Active Monitored Tax Credit Projects" in Data Library for current project information.

The inventory is grouped by county. Within each county, the list is sorted by Credit Year and WHEDA Tax Credit Project Number.
