

## HTC EXTENDED USE PERIOD Form 201 UNIT STATUS REPORT INSTRUCTIONS

Steps for completing and submitting Unit Information (HTC Extended Use Period Form 202), Unit Status Report (HTC Extended Use Period Form 200) in both paper and electronic formats, and Correction or Amendment to Prior Period Report (HTC Extended Use Period Form 203) are included below. Sample reports are included at the end of these instructions.

Paper reports should be mailed to: WHEDA, HTC Monitoring, PO Box 1728, Madison WI 53701-1728. Electronic reports should be submitted using eWHEDA Services, a secure area of WHEDA's website. Electronic reports may be submitted via file upload to the Rental Compliance Reporting System (RCRS) or may be typed directly into the RCRS system online.

Electronic Unit Status Reports must be in WHEDA's prescribed XML format. WHEDA uses the national XML format developed by the National Affordable Housing Management Association (NAHMA) working group of vendors and state agencies. The NAHMA XML Standard is a flexible format which allows for variation in state reporting requirements. Several companies offer tax credit software with the ability to create XML reports that meet this requirement. If you or your software provider requires further information on electronic reporting, please contact WHEDA tax credit monitoring staff.

### A. Unit Status Report

There are three ways to submit Unit Status Report information.

- 1) Unit events entered online into the Rental Compliance Reporting System (RCRS) via eWHEDA Services

- 2) XML file uploaded through RCRS, via eWHEDA Services
  - a. This method qualifies for the electronic reporting Compliance Monitoring Fee rate.
  - b. Files must be in WHEDA's prescribed XML format. If you or your software provider requires information on electronic reporting, refer to "State HFA\_LIHTC Data Transfer Standard" on [www.mitsproject.org](http://www.mitsproject.org) or contact WHEDA.
  - c. One file is used to report on each project.
  - d. Files are uploaded via eWHEDA Services using the RCRS application.
  - e. Detailed instructions for uploading the file are available in the RCRS User's Guide.
