NOW, THEREFORE, in consideration of the foregoing, the mutual promises and consideration described herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties, the Authority and Lender hereby agree as follows:

ARTICLE I

PARTICIPATION IN WHEDA ADVANTAGE PROGRAM

1.1 Lender agrees to originate and sell loans to the Authority, in accordance with the terms and conditions set forth in this Agreement and the WHEDA Advantage Origination Guide ("Origination Guide"), as the same may be amended from time to time, and all exhibits, certificates, affidavits, warranties and other documents required by the Origination Guide are specifically incorporated into this Agreement as if fully set forth herein.

3.2 The borrower shall be charged an origination or loan fee equal to the published fee structure for the current WHEDA Advantage Program issue. Lender shall charge borrower no other origination or loan fees, however denominated, and Lender shall collect, directly or indirectly, no other fees from the borrower or seller, except as specifically permitted by the Origination Guide.

3.3 Lender shall collect and timely transmit to the Authority any fee the Authority is entitled to under the published fee structure for the WHEDA Advantage Program.

ARTICLE IV

4.2 Lender shall have sole responsibility for ensuring full compliance with any and all federal or state laws and shall indemnify the Authority from any loss or liability resulting or arising from any failure by Lender to fully comply with any such law.

4.3 Lender shall maintain throughout the term of this Agreement, at Lender's expense, a fidelity bond, fire and extended coverage insurance on Lender's office, theft insurance, forgery insurance, and errors and omissions insurance. Such bonds and insurance policies shall be in amounts as required by the Origination Guide.

ARTICLE V

LENDER'S REPRESENTATIONS AND WARRANTIES

- a. Lender is duly organized, validly existing and in good standing under the laws of the jurisdiction under which it is organized, and is duly qualified to do business in the State of Wisconsin.
- b. Lender is duly authorized by all necessary corporate actions to enter into this Agreement. Upon execution, this Agreement will be a valid and binding agreement by Lender, enforceable according to its terms, and will not constitute a violation of any law or any requirement imposed by any regulatory, judicial or quasi-judicial body.
- c. Lender is not under any cease and desist order or any other order of a similar nature which would in any way restrict Lender from complying with any and all terms of this Agreement.
- d. Each loan purchased by the Authority pursuant to the terms of this Agreement will conform in all respects to each and every requirement and procedure set forth in this Agreement and the Origination Guide.

- e. Each representation and warranty contained in the Lender's Warranty is incorporated herein by reference and made a part hereof with respect to each loan purchased pursuant to the terms of this Agreement.
- f. Each of the foregoing representations and warranties of Lender are continuing and shall be deemed to have been made and shall be true and correct as of the date of closing of each loan purchased pursuant to the terms of this Agreement.
- g. Lender shall comply with all applicable federal, state and local laws.

5.2 The Authority agrees that in the event of any breach of the foregoing representations and warranties, Lender shall obtain the correction of such breach within thirty (30) days after the earlier of (a) notice of such breach is given by the Authority to the Lender; or (b) such breach is discovered by the Lender, and if any such breach materially and adversely affects any one or more of the loans, in the event that the Lender cannot obtain the correction of such breach within such thirty (30) day period, the Lender shall repurchase the loan or loans affected by such breach from the Authority upon the request of the Authority; in the event that the Authority elects to require the Lender to purchase such loans.

ARTICLE VI

STANDARD OF CARE

6.1 Lender shall originate and administer the closing of the loans, and in so doing shall exercise and use the same degree of skill and care as an experienced and prudent mortgagee would exercise and use under the circumstances in the conduct of its own affairs and with respect to loans it originates for its own account and otherwise in accordance with law and the guidelines described herein. In the event of any conflict between the Lender's customary practices and the standard of care required by this Agreement, the higher standard shall prevail.

ARTICLE VII

RELATIONSHIP OF THE PARTIES

7.1 This Agreement does not constitute and shall not be construed as constituting a partnership, joint venture, or employer/employee relationship between the Authority and Lender, it being expressly understood that each party shall act as and be deemed to be an independent contractor. Neither party shall have any right to obligate or bind the other in any manner whatsoever and nothing contained herein shall give, or is intended to give, any rights of any kind to any third person.

ARTICLE VIII

TERMINATION

8.1 If, in the sole judgment of the Authority, Lender has failed to: (a) originate loans pursuant to the terms of this Agreement and the Origination Guide; (b) exercise proper quality control, documentation, and/or judgment in originating, processing or closing loans; (c) perform any duty or obligation of Lender to be performed pursuant to the terms of this Agreement or the Origination Guide; or (d) deposit funds with the Authority for transfer to the trustee, the Authority may terminate this Agreement immediately upon the giving of written notice to Lender. The right of the Authority to terminate hereunder shall not be affected in any way by the Authority's waiver or failure to act with respect to any previous default.

8.2 Either party may terminate this Agreement, without cause, upon thirty (30) days written notice to the other party.

8.3 This Agreement shall terminate immediately upon the statutory insolvency or bankruptcy of Lender.

8.4 Upon the termination of this Agreement, Lender shall forward to the Authority within thirty (30) days all loan documents, appraisals, insurance policies, credit and financial information and any other materials relating to all loans.

ARTICLE IX

REPURCHASE OF LOANS

9.1 If in the sole judgment of the Authority, Lender has made a misrepresentation of material fact, or has breached representations made in the Lender's Warranty, or has otherwise breached the terms of this Agreement or the Origination Guide with respect to any loan originated by Lender, the Authority may tender, and Lender shall repurchase within ten (10) days of the Authority's written tender, the loan for an amount equal to the unpaid principal balance, plus accrued interest and any reasonable expense, including legal expenses, incurred by the Authority on the loan.

9.2 If a Lender does not obtain mortgage insurance as required by the Origination Guide the Lender shall repurchase, or obtain the required mortgage insurance within ten (10) days of the Authority's written tender. The loans shall be repurchased for an amount equal to the unpaid principal balance, plus accrued interest and any reasonable expenses incurred by the Authority on the loan. In addition, the Lender shall pay all expenses, costs or damages incurred by the Authority resulting from the Lender failing to obtain mortgage insurance as required by the Origination Guide.

9.3 If a Lender does not timely submit documents to the Authority upon the closing of a loan according to the Origination Guide, the Lender at the sole discretion of the Authority shall repurchase the loan within ten (10) days of the Authority's written tender of the loan for an amount equal to the unpaid principal balance, plus accrued interest and any reasonable expenses incurred by the Authority on the loan.

ARTICLE X

LIMITATION OF LIABILITY

10.1 The Authority shall have no obligations or liability under this Agreement except for the purchase price of mortgage loans. No cancellation fee or other penalty will be due Lender upon any cancellation, sale or repurchase under this article. The Authority may sell any or all of the loans or the servicing of the loans to any person or entity at any price. Lender shall have the right to service loans only if the Authority agrees in a written service agreement.

ARTICLE XI

REMEDIES

11.1 The Authority shall be entitled to all remedies available at law or in equity, including but not limited to the right to: (a) tender any loan to Lender for repurchase as set forth in this Agreement and the Origination Guide; (b) terminate this Agreement; (c) seek equitable relief by way of injunction to prevent the breach or threatened breach of any of the provisions of this Agreement, or to require specific performance thereof; (d) seek damages, including consequential damages and attorney's fees, arising by virtue of the Authority's sale of its bonds in reliance on Lender's compliance with the terms and conditions of this Agreement and the Origination Guide. Termination of this Agreement shall not diminish the Authority's rights hereunder. All remedies set forth herein shall be cumulative, and the exercise by the Authority of any one or more of them shall not in any way alter or diminish the Authority's right to any other remedy provided herein or by law or equity.

WHEREAS, WHEDA has established a new program which is designed to be a Qualified MCC Program, called The WHEDA Tax Advantage, a Mortgage Credit Certificate Program ("MCC Program"), and has issued, and from time to time amends, its Mortgage Credit Certificate Program Guide ("MCC Program Guide"); and

WHEREAS, Lender wishes to participate in the MCC Program consistent with the terms of this Agreement, the MCC Program Guide, and the applicable requirements of the Code and Regulations;

NOW, THEREFORE, in consideration of the promises set forth herein, the parties agree as follows:

1. WHEDA hereby appoints Lender as one of its Participating Lenders, as defined in the MCC Program Guide, and one of its agents for receiving and processing applications for Mortgage Credit Certificates (each an "MCC") under the MCC Program.

2. As a Participating Lender, Lender shall:

a. comply with all applicable provisions of this Agreement, the MCC Program Guide, and the applicable requirements of the Code and Regulations;

b. make information regarding the MCC Program available to Lender's customers or potential customers who might qualify to receive an MCC (each a "Potential MCC Recipient"); and process and review each application, along with all required documents and information, from each Potential MCC Recipient in order to determine eligibility for the MCC Program;

c. before recommending that WHEDA issue an MCC to a Potential MCC Recipient, perform all investigation and verification that it would normally perform for underwriting of any financing not provided in connection with an MCC and as is necessary to determine that the Potential MCC Recipient, the loan, and the mortgaged property satisfy all requirements of the MCC Program;

d. only charge such fees as allowed under the MCC Program Guide;

e. comply with all data and record retention and reporting requirements applicable to the MCC Program;

f. grant WHEDA and its agents, during normal business hours and upon request by WHEDA, access to all of Lender's books and records related to Lender's participation in the MCC Program and each Potential MCC Recipient recommended by Lender to WHEDA for an MCC; and

g. indemnify, defend and hold harmless WHEDA and each of its members and employees against all liability incurred by any of them for any and all claims, causes of action, damages, costs, and expenses (including attorneys' fees), judgments, fines, and penalties that may be related to or arise out of any violation of law or breach of this Agreement resulting from an act or omission of Lender or any past, present or future director, officer, employee, incorporator, member, partner, stockholder, affiliate, agent attorney or representative of the Lender or any of their respective affiliates. No past, present or future director, officer, employee, incorporator, member, partner, stockholder, affiliate, agent attorney or representative of the Lender or any of their respective affiliates shall have any liability to WHEDA (whether in contract or in tort) for any obligations or liabilities of the Lender arising under, in connection with or related to this Agreement or for any claim based on, in respect of, or by reason of the Lender participation in the MCC Programs, including, without limitation, any alleged nondisclosure or misrepresentation made by any such persons.

3. Lender represents and warrants to WHEDA that:

a. Lender and each of its employees who will be involved with the MCC Program are familiar with the terms of this Agreement, the MCC Program Guide, and the applicable requirements of the Code and Regulations;

b. Lender is duly organized, validly existing, and in good standing under the laws governing its creation and existence, is duly authorized and qualified to do in Wisconsin any and all business contemplated by this Agreement, and possesses all requisite authority, power, licenses, permits, and franchises to conduct its business and to execute, deliver, and comply with its obligations under the terms of this Agreement, the execution, delivery, and performance of which have been duly authorized by all necessary action;

c. this Agreement constitutes Lender's valid, legal, and binding obligation, enforceable in accordance with its terms, except as the enforcement thereof may be limited by applicable bankruptcy, insolvency, moratorium, reorganization and other similar laws affecting creditors' rights generally and general principles of equity;

d. No information or document submitted by the Lender to WHEDA pursuant to this Agreement or the MCC Program Guide will, to the knowledge of Lender, contain any untrue statement of a material fact or omit to state a material fact necessary to make the information or document not misleading; and

4. WHEDA shall be entitled to make such amendments to the MCC Program Guide as it may in its sole and absolute discretion deem necessary, appropriate or advisable from time to time to facilitate the MCC Program; provided that no such amendments shall become effective or binding upon Lender until WHEDA sends written notice, which may be by facsimile or electronic mail, thereof to Lender.

5. Lender hereby acknowledges that repayment of each loan made in conjunction with the MCC Program is the sole responsibility of the borrower thereunder and payment of such loans does not constitute an indebtedness of WHEDA or a charge against its general credit or other assets of the state of Wisconsin.

6. This Agreement shall remain in full force and effect until terminated. Lender or WHEDA may terminate this Agreement without cause upon thirty (30) days written notice to the other; provided that upon such termination without cause by WHEDA, WHEDA must honor any outstanding commitments or approvals issued to Lender or borrower in accordance with the terms of this Agreement and the MCC Program. Further, and notwithstanding the preceding sentence, WHEDA may immediately terminate this Agreement, effective upon written notice from WHEDA, and prohibit the Lender from participation in the MCC Program upon WHEDA's determination, in its sole discretion that Lender has failed to comply with the terms and conditions of this Agreement, the MCC Program Guide, or any of the applicable requirements of the Code or Regulations. No amendment to this Agreement shall be effective unless it is in writing and signed by both parties hereto.
