CAPITAL ACCESS DPA AVAILABILITY UPDATE

Capital Access DPA Availability Update

On May 20, 2026, WHEDA announced that the Capital Access Down Payment Assistance Loan was available for a limited number of loans. In August, we updated our lending partners that 19 loans remained available.

Current Availability

As of today, only **6 loans remain available**.

Important Change: A physical property address is now required to make a reservation.

WHEDA will continue to communicate the number of remaining loans available on the Daily Rate Sheets. Lending partners are encouraged to monitor the rate sheets closely.

Once all available funds have been reserved, the Capital Access DPA program will be paused until more funds become available in 2027.
