BID INCLUSIONS (INCLUDE THE FOLLOWING IN YOUR BID):

1. Your bid shall include all costs related to a complete, in place, scope of work.
2. Alternates should be bid separate with clearly identified scopes of work.
3. Note that this will be a fast track job; however, no overtime should be included in your bid. Your bid must provide for adequate staffing to complete your portion of the work in a timely manner consistent with your schedule.
4. All work shall be in accordance with local, state and national building codes, current edition.
5. All successful contractors will be required to expedite their start-up process (submit shop drawings, order material, man the project) to meet the early demands of the construction progress and allow completion per McGann Construction's completion schedule.

SITE AND DOCUMENT EXAMINATION:

Before submitting a bid, the bidder shall examine the bidding documents. The bidder should visit and examine the site to acquaint themselves with the conditions. Failure to visit the site or failure to examine any or all contract documents will in no way relieve the successful bidder from the necessity of furnishing any materials or equipment, performing any work that may be required to complete the work in accordance with the drawings and specifications without additional cost to the Owner. Bidders failing to examine the site will waive their right to all compensation for extra work that could have been observed during the site examination.

RESERVATIONS:

McGann Construction, Inc. reserves the right to reject all bids or any bid, to waive any irregularities in any bid, or to accept any bid, which will best serve the interests of the Owner/General Contractor

TAXES:

Each bid shall include all taxes in effect at the time the bid is submitted. All bids shall include Wisconsin State & County and any other applicable state, county or local sales tax.

LICENSING:

Sub-contractors should check with the City of Madison as to the need for licensing and permits required for their portions of the work.

CONDITIONS OF WORK:

Each bidder must familiarize themselves fully of the conditions relating to the construction of the project and the employment of labor thereon. Failure to do so will not relieve the successful bidder of his obligations to furnish all material and labor necessary to carry out the provisions of his contract. The contractor in carrying out his work must employ such methods or means as will not cause any interruptions of or inference with the work of any other contractor. **Contractors will be required to include project cleanup time in their proposals. Exact cleanup requirements will be clearly defined in the bidding specifications for each Section of the work.**

VOLUNTARY ALTERNATES:

Contractors are encouraged to submit voluntary alternates that offer less expensive, but equal, materials or methods. **However, do not include voluntary or listed alternates as part of base bid.**

WITHDRAWAL OF BIDS:

No bid may be withdrawn for a period of 60 days after the date set for the opening of bids.

END OF SECTION
